

# WHAT MATTERS TO ME?

Care Partner \_\_\_\_\_

- What do you prefer to be called?
- Do you have any food preferences?
- How can we help you to be more comfortable in your room?
- Do you plan to have visitors? Do you want them involved in your care or to be present for instructions?
- What are your goals for this hospitalization?
- What is important for us to know so that we can take the best care of you?
- Are there other important things would you like us to know?
