

The Summary of Benefits and Coverage (SBC) document will help you choose a health [plan](#). The SBC shows you how you and the [plan](#) would share the cost for covered health care services. **NOTE: Information about the cost of this [plan](#) (called the [premium](#)) will be provided separately. This is only a summary.** For more information about your coverage, or to get a copy of the complete terms of coverage, [www.myLuminareHealth.com](http://www.myLuminareHealth.com). For general definitions of common terms, such as [allowed amount](#), [balance billing](#), [coinsurance](#), [copayment](#), [deductible](#), [provider](#), or other underlined terms, see the Glossary. Important Questions	Answers	Why This Matters:
<p><b>What is the overall <a href="#">deductible</a>?</b></p>	<p>Tier I Enloe <a href="#">preferred provider</a>: \$0 / individual or \$0 / family per benefit period.                      Tier II <a href="#">preferred provider</a>: \$250 / individual or \$750 / family per benefit period. Combined with Tier III.                      Tier III <a href="#">nonpreferred provider</a>: \$250 / individual or \$750 / family per benefit period. Combined with Tier II.</p>	<p>Generally, you must pay all of the costs from <a href="#">providers</a> up to the <a href="#">deductible</a> amount before this <a href="#">plan</a> begins to pay. If you have other family members on the <a href="#">plan</a>, each family member must meet their own individual <a href="#">deductible</a> until the total amount of <a href="#">deductible</a> expenses paid by all family members meets the overall family <a href="#">deductible</a>.</p>
<p><b>Are there services covered before you meet your <a href="#">deductible</a>?</b></p>	<p>Yes. <a href="#">Prescription drug</a>, benefits subject to a <a href="#">copay</a> (To applicable tiers), and the following services by a <a href="#">preferred provider</a>: <a href="#">Preventive care</a> (Tier I and Tier II) and <a href="#">hospice services</a> are covered before you meet your <a href="#">deductible</a>.</p>	<p>This <a href="#">plan</a> covers some items and services even if you haven't yet met the <a href="#">deductible</a> amount. But a <a href="#">copayment</a> or <a href="#">coinsurance</a> may apply. For example, this <a href="#">plan</a> covers certain <a href="#">preventive services</a> without <a href="#">cost sharing</a> and before you meet your <a href="#">deductible</a>. See a list of covered <a href="#">preventive services</a> at <a href="https://www.healthcare.gov/coverage/preventive-care-benefits/">https://www.healthcare.gov/coverage/preventive-care-benefits/</a>.</p>
<p><b>Are there other <a href="#">deductibles</a> for specific services?</b></p>	<p>No.</p>	<p>You don't have to meet <a href="#">deductibles</a> for specific services.</p>
<p><b>What is the <a href="#">out-of-pocket limit</a> for this <a href="#">plan</a>?</b></p>	<p>Tier I Enloe &amp; Tier II <a href="#">preferred providers</a>: \$2,500 / individual or \$7,500 / family per benefit period.                      Tier III <a href="#">nonpreferred provider</a>: Unlimited.  <a href="#">Prescription drug</a>: \$2,000 / individual or \$4,000 / family per benefit period.</p>	<p>The <a href="#">out-of-pocket limit</a> is the most you could pay in a year for covered services. If you have other family members in this <a href="#">plan</a>, they have to meet their own <a href="#">out-of-pocket limits</a> until the overall family <a href="#">out-of-pocket limit</a> has been met.</p>

Important Questions	Answers	Why This Matters:
What is not included in the <a href="#">out-of-pocket limit</a> ?	Penalties for failure to obtain <a href="#">preauthorization</a> for services, <a href="#">premiums</a> , <a href="#">balance-billing</a> charges, and health care this <a href="#">plan</a> doesn't cover.	Even though you pay these expenses, they don't count toward the <a href="#">out-of-pocket limit</a> .
Will you pay less if you use a <a href="#">network provider</a> ?	Yes. See <a href="http://www.anthem.com/ca">www.anthem.com/ca</a> or call 1-844-644-8349 for a list of <a href="#">preferred providers</a> .	This <a href="#">plan</a> uses a <a href="#">provider network</a> . You pay less if you use a Tier I Enloe <a href="#">preferred provider</a> in the <a href="#">plan's network</a> . You will pay the most if you use a Tier II <a href="#">preferred provider</a> or Tier III <a href="#">nonpreferred provider</a> , and you might receive a bill from a <a href="#">provider</a> for the difference between the <a href="#">provider's</a> charge and what your <a href="#">plan</a> pays ( <a href="#">balance-billing</a> ). Be aware, your network provider might use an <a href="#">nonpreferred provider</a> for some services (such as lab work). Check with your <a href="#">provider</a> before you get services.
Do you need a <a href="#">referral</a> to see a <a href="#">specialist</a> ?	Yes.	This <a href="#">plan</a> will pay some or all of the costs to see a <a href="#">specialist</a> for covered services but only if you have a <a href="#">referral</a> before you see the <a href="#">specialist</a> . A referral authorization will be needed to receiving any services at a non-Enloe facility.

 All [copayment](#) and [coinsurance](#) costs shown in this chart are after your [deductible](#) has been met, if a [deductible](#) applies.
